Any child under the age of 13 must be accompanied by an adult guardian at all times and no one is permitted to ride without another person present in/around the rings/trails/barns.

Riding should be limited to 45 minutes total and include proper warm up and cool out.

Students are not permitted to jump unless participating in the supervised jump/lease ride days and times listed above.

Leasers may not trade horses, nor allow any other student, leaser, or boarder on 'their' horse during the scheduled lease ride. All school tack should be put back after use on the appropriate racks, neatly.

All other leasing rules listed on the website and posted facility riding rules apply. URC reserves the right to remove a student from the RideShare program, for any reason, without warning or refund. *I/we will any report injury or illness exhibited by the horse immediately. I/we understand there is no riding off URC property for any reason, no riding in barn aisles.*

If RideShare rules are violated; URC staff will issue a verbal warning. After the verbal warning, a second offense will result in a written warning, issued via text/email. After the initial written warning, a violation of RideShare rules will result in a final written warning via email. After the third and final warning, a violation of RideShare Rules will result in the student's immediate removal from the RideShare Program with no refund.
