

URC Horse List by Horse Level and Lease type(s)

Note: horses are leveled by horse skills/experience, value and versatility - *eligible riders may choose among horses they routinely ride in lessons.*

***Advanced riders only**

****Inquire with Jessie**

Note to leasers: Horse lease types and fees have been allocated by horse skill level, value and use in our program. You have the first option to re-lease your previous quarter lease horse. Please check the level and options for that horse and others you wish to consider. If a horse has two current leasers, the first leaser responding/submitting payment for next quarter has first option. In the event both leasers respond concurrently, first option goes to the leaser with the longest standing lease on the horse.

➤ **Fall Fun Special!!** Horses with a 🌻 available Fall 2026 at a special 'intro to leasing' rate
